

Napier Wind Farm

Community Information Session

wpd Canada is holding an information session for its 2 turbine, 4.1 MW Napier Wind Farm in the Township of Adelaide Metcalfe.

Date: Tuesday, March 24, 2015
Time: 6:30 pm – 8:00 pm
Location: Adelaide Metcalfe Township Office- Lower Hall
2340 Egremont Drive, RR#5 Strathroy

We will provide an update on project activity to date and information on construction due to start this spring. We will also invite local residents to join the Community Liaison Committee (CLC) for the project.

The Purpose of the CLC is to:

- (1) act as a liaison facilitating two way communications between the Company and members of the public with respect to issues relating to the construction, installation, use, operation, maintenance and retirement of the Facility;
- (2) provide a forum for the Company to provide regular updates on, and to discuss issues or concerns relating to, the construction, installation, use, operation, maintenance and retirement of the Facility with members of the public; and
- (3) ensure that any issues or concerns resulting from the construction, installation, use, operation, maintenance and retirement of the Facility are discussed and communicated to the Company.

To obtain a copy of the CLC application form please contact Kevin Surette, or download it from <http://canada.wpd.de/projects/in-canada/napier/general-information.html?L=3>. wpd will then provide additional information on the next steps in the process.
