# NOTICE OF PROPOSAL TO ENGAGE IN A RENEWABLE ENERGY PROJECT S. 15(1)(a) ONTARIO REGULATION 359/09

## NOTICE OF A PROPOSAL

### by wpd Canada Corporation to Engage in a Renewable Energy Project

**Project Name:** SPRINGWOOD WIND FARM

**Project Location:** The Project will be located entirely within The Township of Centre Wellington, Wellington County in South-Central Ontario.

**Dated At:** Township of Centre Wellington this the 13th of August, 2010.

wpd is planning to engage in this renewable energy project in respect of which the issuance of a Renewable Energy Approval (REA) is required. The distribution of this notice of a proposal to engage in this renewable energy project and the project itself are subject to the provisions of the *Environmental Protection Act of Ontario* (Act) Part V.0.1 and Ontario Regulation 359/09 (Regulation). This notice is being distributed in accordance with Section 15 of the Regulation prior to an application being submitted and assessed by the Ministry of the Environment.

#### Project Description:

Pursuant to the Act and Regulation, the facility, in respect of which the project is to be engaged, is considered to be a Class 4 wind facility. If approved, this facility would have a total maximum contract name plate capacity of 9.2 MW and consist of 4 wind turbines. The project location is described in the map adjacent.

The project is being proposed in accordance with the requirements of the Act and Regulation. The Draft Project Description Report titled *Springwood Wind Farm - Draft Project Description Report* describes the facility as a Class 4 wind facility with a contract name plate capacity of 9.2 MW and consists of 4 wind turbines.

The project would also include electrical collection lines, an interconnection line, and other ancillary facilities such as access roads. A written copy of the *Draft Project Description Report* is being made available for public inspection on the project website under the Project Section at:  
[www.wpd-canada.ca](http://www.wpd-canada.ca)

## **Notice of Public Meeting**

# NOTICE OF PUBLIC MEETING S. 15(1)(a) ONTARIO REGULATION 359/09

## NOTICE OF PUBLIC MEETING by wpd Canada Corporation regarding a Proposal to Engage in a Renewable Energy Project

**Project Name:** SPRINGWOOD WIND FARM

**Project Location:** The Project will be located entirely within the Township of Centre Wellington, Wellington County, Ontario.

**Dated At:** The Township of Centre Wellington on this, the 24th of September, 2010.

Wpd is planning to engage in this renewable energy project in respect of which the issuance of a Renewable Energy Approval (REA) is required. The distribution of this Notice of Public Meeting, and the Project itself, are subject to the provisions of the Environmental Protection Act of Ontario (Act) Part V.0.1 and Ontario Regulation 359/09 (Regulation). This notice is being distributed in accordance with Section 15 of the Regulation prior to an application being submitted and assessed for completeness by the Ministry of the Environment.

### Meeting Location:

**DATE:** Tuesday, October 26, 2010  
**TIME:** 5:00 P.M. to 9:00 P.M.  
**PLACE:** Centre Wellington Sportsplex  
550 Belsyde Avenue E (at Scotland St)  
Fergus, Ontario

### Project Description:

Pursuant to the Act and Regulation, the facility, in respect of which the project is to be engaged, is considered to be a Class 4 wind facility. If approved, this facility would have a total maximum contract name plate capacity of 9.2 MW and consist of 4 wind turbines. The project location is described in the map adjacent. Please note that the connector line location has been updated, with a new proposed connection at Wellington 29 Road and Eramosa-Garafraxa Townline.

The project is being proposed in accordance with the requirements of the Act and Regulation The Draft Project Description Report titled Springwood Wind Farm - Draft Project Description Report describes the project as a Class 4 wind facility, consisting of 4 wind turbines, with a total maximum contract name plate capacity of 9.2 MW.

The project also includes electrical collection lines, an interconnection line, and other ancillary facilities, such as access roads. A written copy of the Draft Project Description Report was made available for public inspection on Friday, August 13, 2010 at the project website under the Project Section at [www.wpd-canada.ca](http://www.wpd-canada.ca).

Further, wpd will prepare additional supporting documents in order to comply with the requirements of the Act and Regulation. Written copies of the draft supporting documents will be made available on the project website for public inspection at least 60 days before the final project Open House.

## **Appendix C3**

### **Notice of Final Public Meeting**

# NOTICE OF FINAL PUBLIC MEETING s. 15(1)(b) ONTARIO REGULATION 359/09

## NOTICE OF FINAL PUBLIC MEETING To be held by wpd Canada Corporation (wpd Canada) regarding a Proposal to Engage in a Renewable Energy Project

**Project Name:** Springwood Wind Project (Project)

**Project Location:** The Project will be located in Centre Wellington, Wellington County, Ontario.

**Dated At:** This the 2nd of September, 2011.

wpd Canada is planning to engage in this renewable energy project in respect of which the issuance of a Renewable Energy Approval (REA) is required. The distribution of this notice of final public meeting (Notice) and the Project itself are subject to the provisions of the Environmental Protection Act of Ontario (Act) Part V.0.1 and Ontario Regulation 359/09 (Regulation). This Notice is being distributed in accordance with section 15 of the Regulation prior to an application being submitted and assessed by the Ministry of the Environment.

### Meeting Location:

**DATE:** Friday, November 4th, 2011

**TIME:** 5:30 P.M. to 8:00 P.M.

**PLACE:** Centre Wellington Sportsplex

550 Belsyde Avenue E (at Scotland St)  
Fergus, Ontario

### Project Description and Documents for Public Inspection:

Pursuant to the Act and Regulation, the facility, in respect of which the Project is to be engaged in, is considered to be a Class 4 wind facility. If approved, this facility would have a total maximum contract name plate capacity of 9.2 MW. The project location in Centre Wellington, Wellington County, Ontario, is described in the map to the right.

The Project is being proposed in accordance with the requirements of the Act and Regulation. The Draft Project Description Report titled Springwood Wind Project: Project Description Report, describes the facility as a Class 4 wind facility with a contract name plate capacity of 9.2 MW and consisting of 4 wind turbines. The project would also include electrical collection lines, a substation, and other ancillary facilities such as access roads. A written copy of the initial Draft Project Description Report was made available for public inspection on August 13th, 2010 at the project website noted below.

Further, wpd Canada has obtained or prepared, as the case may be, supporting documents in order to comply with the requirements of the Act and Regulation. Written copies of the updated Draft Project Description Report and draft supporting documents will be made available for public inspection starting on September 2nd, 2011 at the Centre Wellington Civic Centre office at 1 MacDonald Square, Elora and on the Project website noted below.
