RE: Review and Acceptance into the Provincial Register of Reports: Archaeological Assessment Report Entitled, “*FINAL REPORT: Stage 1 Archaeological Assessment, Springwood Wind Project, Lots 17-21, Concessions 3 and 5; part of Lots 17 and 21, Concession 4; Lots 18-20, concession 4, Township of Centre Wellington, Dufferin County,*” Dated June 2011 , Received by MTC Toronto Office on June 21, 2011, MTC Project Information Form Number P002-204-2010, MTC RIMS Number HD00626

Dear Colin,

This office has reviewed the above-mentioned report, which has been submitted to this Ministry as a condition of licensing in accordance with Part VI of the Ontario Heritage Act, R.S.O. 1990, c 0.18. This review is to ensure that the licensed professional consultant archaeologist has met the terms and conditions of their archaeological licence, that archaeological sites have been identified and documented according to the 1993 technical guidelines set by the Ministry and that the archaeological fieldwork and report recommendations ensure the conservation, protection and preservation of the cultural heritage of Ontario.*

As the result of our review, this Ministry accepts the above titled report into the Provincial register of archaeological reports. The report indicates that the subject property (or portions thereof) has archaeological potential and, consequently, should be subject to a Stage 2 archaeological assessment. This Ministry concurs with this recommendation.

I trust this information is of assistance. Should you require any further information regarding this matter, please feel free to contact me.

Sincerely,
