

NOTICE OF PUBLIC MEETING S. 15(1)(a) ONTARIO REGULATION 359/09

NOTICE OF PUBLIC MEETING by wpd Canada Corporation regarding a Proposal to Engage in a Renewable Energy Project

Project Name: SPRINGWOOD WIND FARM

Project Location: The Project will be located entirely within the Township of Centre Wellington, Wellington County, Ontario.

Dated At: The Township of Centre Wellington on this, the 24th of September, 2010.

Wpd is planning to engage in this renewable energy project in respect of which the issuance of a Renewable Energy Approval (REA) is required. The distribution of this Notice of Public Meeting, and the Project itself, are subject to the provisions of the Environmental Protection Act of Ontario (Act) Part V.0.1 and Ontario Regulation 359/09 (Regulation). This notice is being distributed in accordance with Section 15 of the Regulation prior to an application being submitted and assessed for completeness by the Ministry of the Environment.

Meeting Location:

DATE: Tuesday, October 26, 2010
TIME: 5:00 P.M. to 9:00 P.M.
PLACE: Centre Wellington Sportsplex
550 Belsyde Avenue E (at Scotland St)
Fergus, Ontario

Project Description:

Pursuant to the Act and Regulation, the facility, in respect of which the project is to be engaged, is considered to be a Class 4 wind facility. If approved, this facility would have a total maximum contract name plate capacity of 9.2 MW and consist of 4 wind turbines. The project location is described in the map adjacent. Please note that the connector line location has been updated, with a new proposed connection at Wellington 29 Road and Eramosa-Garafraxa Townline.

The project is being proposed in accordance with the requirements of the Act and Regulation The Draft Project Description Report titled Springwood Wind Farm - Draft Project Description Report describes the project as a Class 4 wind facility, consisting of 4 wind turbines, with a total maximum contract name plate capacity of 9.2 MW.

The project also includes electrical collection lines, an interconnection line, and other ancillary facilities, such as access roads. A written copy of the Draft Project Description Report was made available for public inspection on Friday, August 13, 2010 at the project website under the Project Section at www.wpd-canada.ca.

Further, wpd will prepare additional supporting documents in order to comply with the requirements of the Act and Regulation. Written copies of the draft supporting documents will be made available on the project website for public inspection at least 60 days before the final project Open House.
