

Springwood Wind Project: Community Update

wpd Canada invites the general public to attend a meeting for the 4 turbine, 8.2 Springwood Wind Project. wpd will provide an update on the project's status and seek membership for the Community Liaison Committee (CLC).

Date: **August 19th, 2014**
Time: **5:30 – 7:00 pm**
Location: **Fergus Legion Branch 275 – 500 Blair St., Fergus**

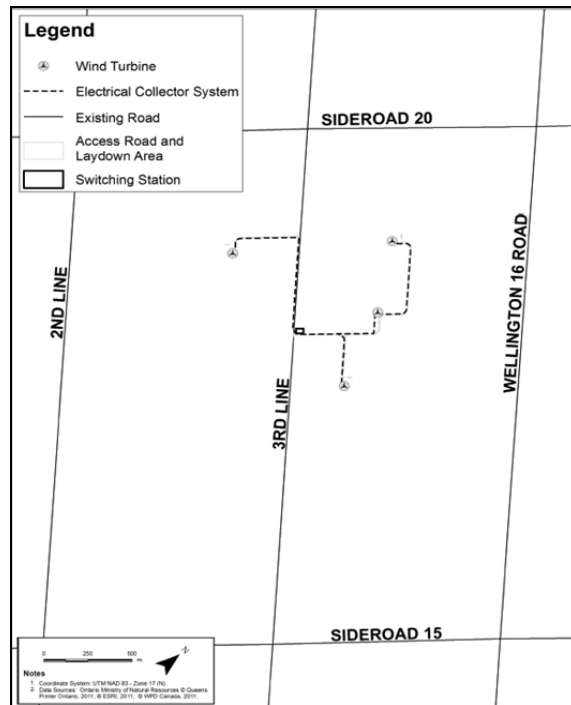

The purpose of the CLC shall be to:

(1) act as a liaison facilitating two way communications between the Company and members of the public with respect to issues relating to the construction, installation, use, operation, maintenance and retirement of the Facility;

(2) provide a forum for the Company to provide regular updates on, and to discuss issues or concerns relating to, the construction, installation, use, operation, maintenance and retirement of the Facility with members of the public; and

(3) ensure that any issues or concerns resulting from the construction, installation, use, operation, maintenance and retirement of the Facility are discussed and communicated to the Company.

Resident of the Centre Wellington community are welcome to join the committee. If you are interested in becoming a member of the CLC, please submit an application form to wpd Canada. To obtain a copy of the application form please contact Jonathan Clifford or download the application at: <http://canada.wpd.de/ca/projects/in-canada/springwood.html>.
