

Napier Wind Farm

Community Liaison Committee Meeting

wpd Canada is holding a Community Liaison Committee (CLC) meeting for its 2 turbine, 4.1 MW Napier Wind Farm in the Township of Adelaide Metcalfe.

Date: Tuesday September 13, 2016
Time: 6:30 pm – 7:30 pm
Location: Adelaide Metcalfe Fire Department Meeting Room,
27817 Kerwood Road, Kerwood.

We will provide an update on the operational status of the project. We also continue to look for additional local residents to join the Community Liaison Committee (CLC) for the project.

The Purpose of the CLC is to:

- (1) act as a liaison facilitating two way communications between the Company and members of the public with respect to issues relating to the construction, installation, use, operation, maintenance and retirement of the Facility;
- (2) provide a forum for the Company to provide regular updates on, and to discuss issues or concerns relating to, the construction, installation, use, operation, maintenance and retirement of the Facility with members of the public; and
- (3) ensure that any issues or concerns resulting from the construction, installation, use, operation, maintenance and retirement of the Facility are discussed and communicated to the Company.

To obtain a copy of the CLC application form, please contact Jonathan Clifford, or download it from <http://canada.wpd.de/projects/in-canada/napier/general-information.html?L=3>. wpd will then provide additional information on the next steps in the process.
